

Alon Amit's Question

September 25, 2016 4:42 PM

<https://www.quora.com/I-am-not-amazingly-good-at-maths-so-it-is-obvious-to-me-whether-I-can-solve-a-problem-or-not-after-5-minutes-How-do-people-spend-hours-on-problems/answer/Alon-Amit>

In how many ways can you place 4 points in the plane so that there will be exactly two distances between them?
