

House of Mirrors

September-20-12

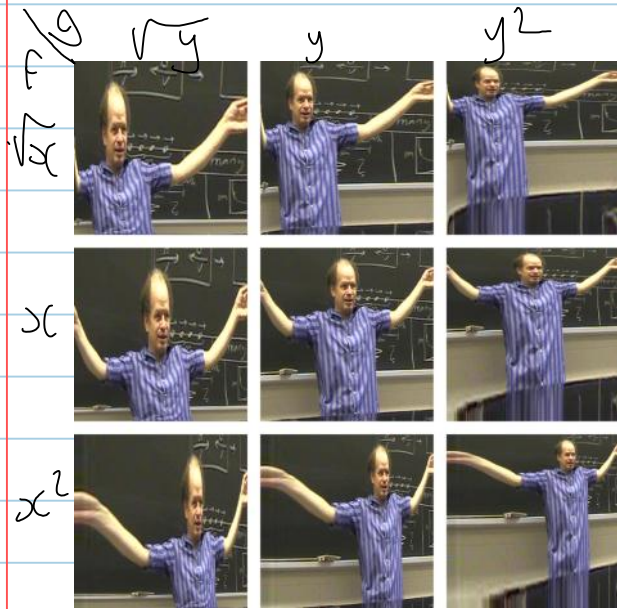

7:02 PM

See http://en.wikipedia.org/wiki/House_of_mirrors and <http://drorbn.net/AcademicPensieve/Classes/12-267/>

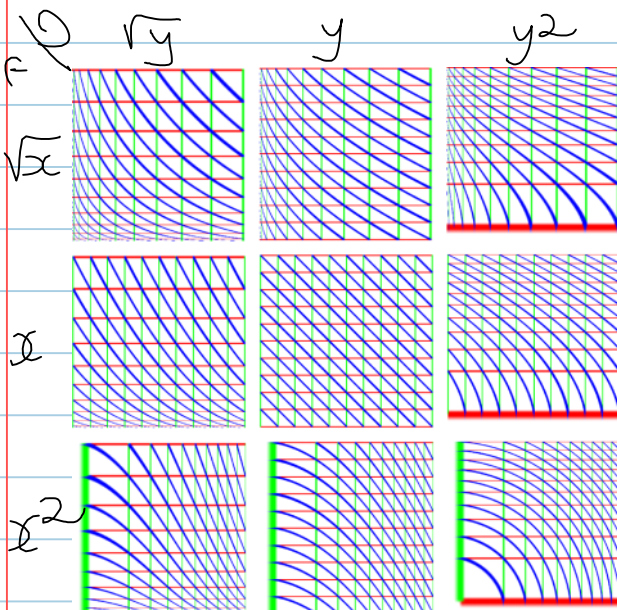

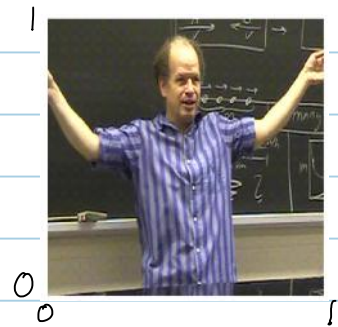

The colour at p is copied from $F(p)$

Examples:

$$F(x,y) = (F(x), g(y))$$

$$F(x,y) = (F(x), g(y))$$
