

The image displays a portion of Pascal's triangle. The numbers are arranged in rows, with each number being the sum of the two numbers directly above it. A diagonal of numbers (1, 3, 6, 10, 15, 21, 28, 35) is circled with an oval. A vertical column of numbers (1, 5, 15, 35, 70) is enclosed in a rectangular box. The number 56 in the bottom row is underlined.
