Summer Homology 2017 Post Mortem

1. I should have produced my own version of Hatcher's "homotopy to barycentric subdivision" picture. 2. I should have proven H(X,A)=H(X/A). Should have proven H(X,A)=H(X/A). Should have proven H(X,A)=H(X/A).	July 2, 2017 8:15 AM
