```

The most exciting bit of this ride was in Rouge Valley. I lost my way and ended up pushing my bike on hiking trails that were definitely not rideable. At some point I had to thread my bike horizontally between two fallen logs.

    and ended up pushing my bike on hiking trails that were definitely
    not rideable. At some point I had to thread my bike horizontally
    between two fallen logs. See the image \"Ouch!\" below. This
    also added a few kilometers, beyond the google estimate.
    <p>I also crossed over three major highways (the 401 twice and the DVP),
    and briefly stopped at Assaf and Sarah's on the way back.",
