Also riding through Okunitama Jinja, Shikisai no Mori Yakushiike Park, Sugawara Shrine, the Snoopy Museum Tokyo, and Fukami Shrine. I started at 5am so up to the Snoopy Museum, things were closed. Except the Shikisai no Mori Yakushiike Park, which at 6:20am already had lots of people taking pictures of the flowers! 103km, some against a strong head wind. Return by public transportation - a bus and four trains.
