

# The w-Generators

May-06-09  
8:42 PM

| Title                  |                    |
|------------------------|--------------------|
| Symbols                | Float on past      |
| Broken Surface Diagram | Flying rings movie |

Picture from

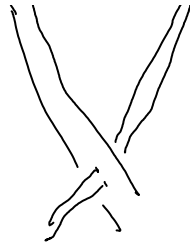

<http://front.math.ucdavis.edu/0904.0684>

by Blake Winter

"float on past" ↓ should be

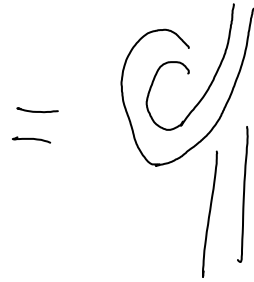

(three different widths)

The floating Wen:

= w<sup>2</sup>

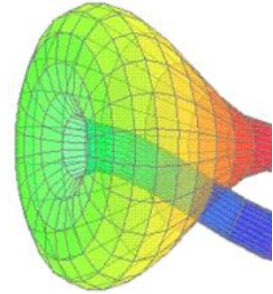

=

=

From 2009-04/

[Blake Winter at KAL, April 28 2009](#)

an even more gradual version:
