

Kapovitch's class, Wed Jan 14: Getting rid of critical points within an h-cobordism

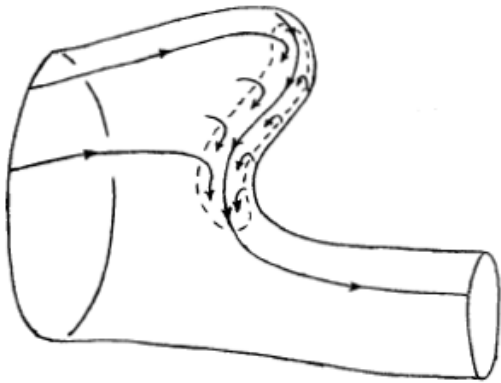

January-14-15 11:10 AM

Getting rid of critical points:
From Milnor's book:

Before Alteration

After

Getting rid of critical points of index 0:
(The Whitney trick is not available)

The Whitney trick is not necessary, alg. intersection is automatically equal to geom. intersection.

Getting rid of critical pts of index 1:

...
