

181010 Council Meeting Talking Points

October 10, 2018 2:42 PM

A handout with many numbers was given; I will not go over it but you should - there is more to "us" than each of our corners.

We are huge and still growing; about 50% of that is international.
Yet we have some shrinking of some first-year classes.

Changes:

1. Ashley was replaced by Cherylyn.
2. Abe by Lindsey, Jason, and Alfonso. Lindsey is a one-time replacement, we're hoping to hire this year.
3. One third of Dror gets replaced by Florian.
