

Talmud vs Kabbalah

AI Overview

The Talmud is the foundational, comprehensive compilation of Jewish law (Halacha) and legal debates, focusing on the "how" of daily practice. Kabbalah is the esoteric, mystical tradition of Judaism, focusing on the inner meaning of the Torah, the nature of God, and spiritual universes. Both are considered part of the Oral Law tradition.

kabbalah age limit

Traditionally, it was recommended to wait until age 40 to study Kabbalah. This guideline was meant for men to first master Jewish law and Talmud, ensuring maturity.
